Everybody's opinion matters and we are ALL ears for suggestions of improvement! Our CEO has an open-door policy, ensuring feedback reaches to the top without jumping through hoops to get there.

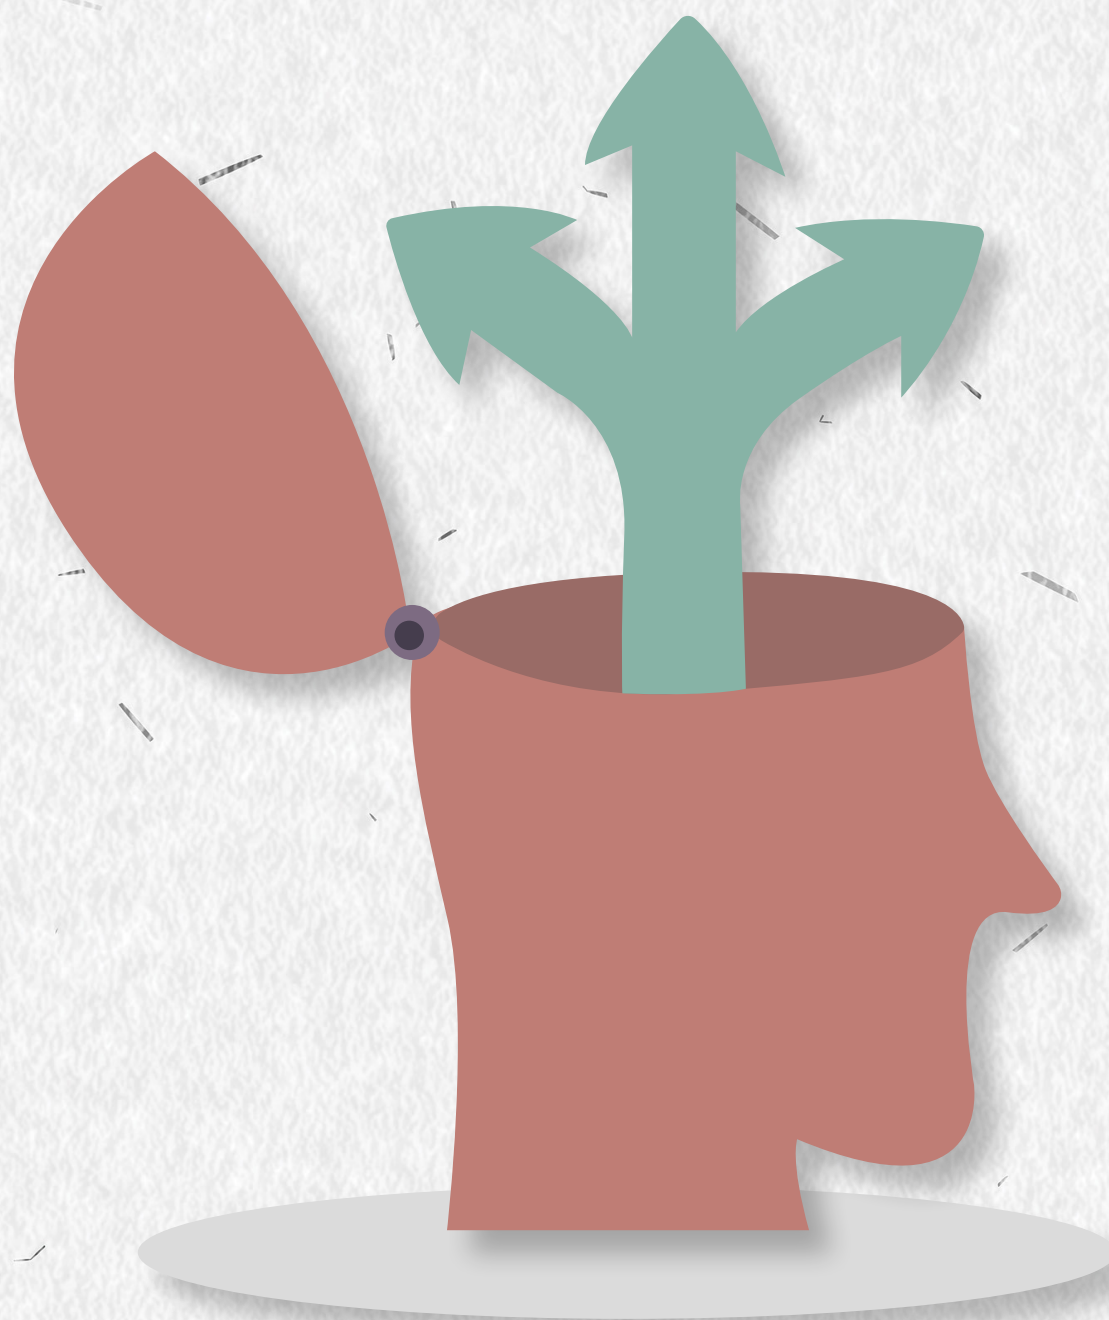

CULTIVATING

CREATIVITY

We encourage all our staff members to enhance their creativity and autonomy to provide a friendly and unique dining experience.

This is achieved through our local suppliers, bespoke menus and innovative food trends. We take pride in the individuality of each site and our team members, at Mellors... we encourage you to take *whisks!*

INTERNAL SUPPORT

We pride ourselves on being highly self-sufficient, offering a hands-on support office where staff or clients can reach out and directly speak to any department.

With all support functions in one location, it ensures that friendly assistance is easily accessible anytime you *knead* it.

FLU JABS

As part of our commitment to the health and well-being of our employees, we offer free flu vaccinations.

EMAIL POLICY

To help support employee well-being, Mellors promote a working-hours only email policy; ensuring that internal communications are kept minimal once you've hung up your apron for the day.

We encourage no emails between the hours of 8pm - 6am or at the weekend, supporting harmony between your work and home life.

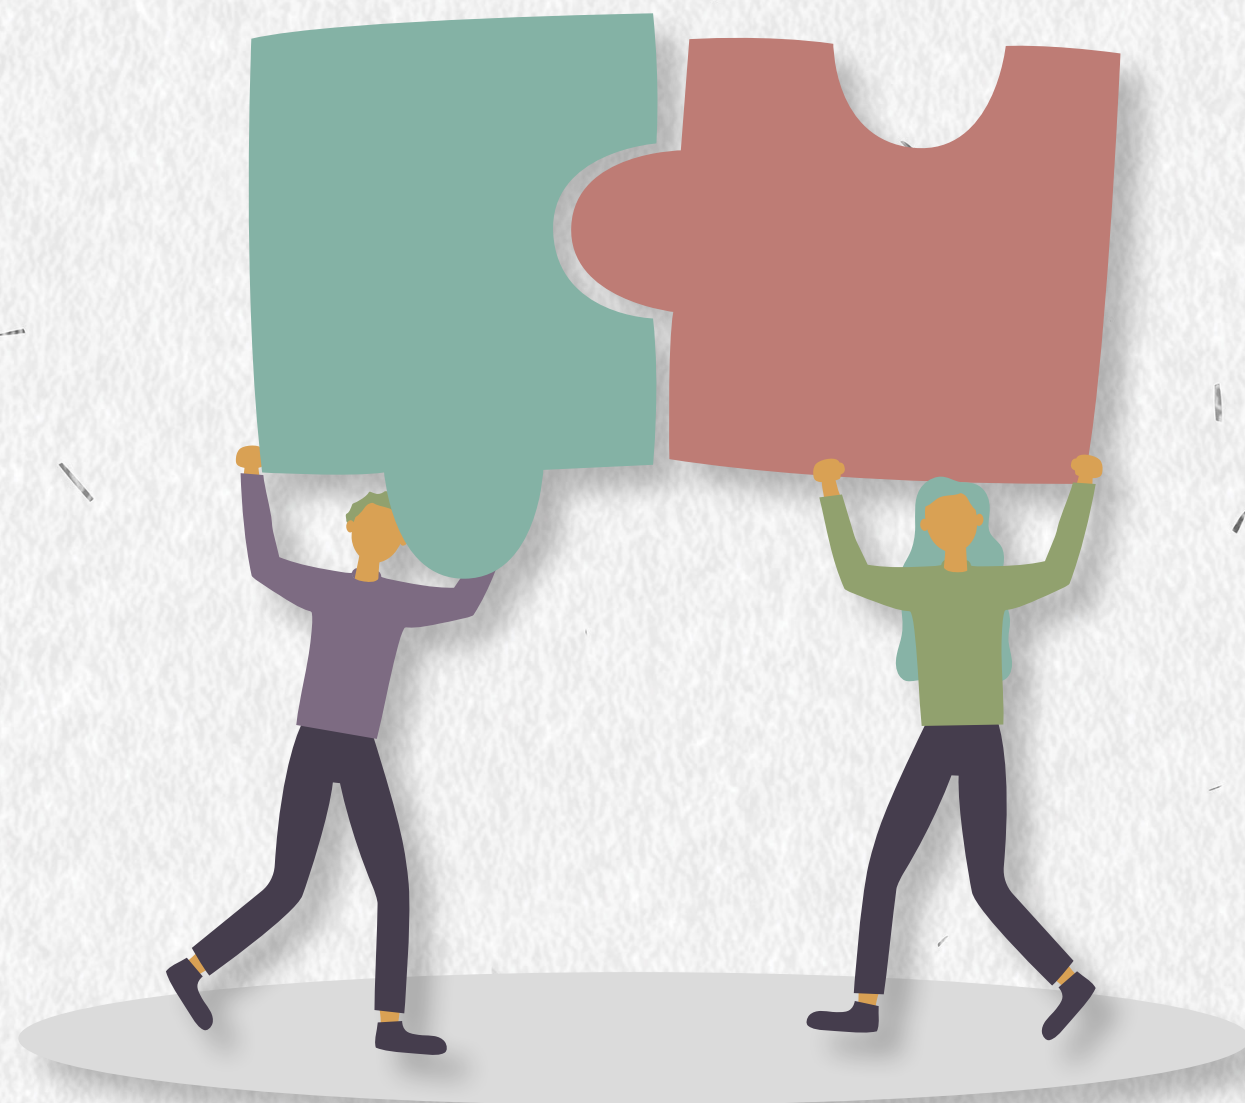

MELLORS MEGA DAY

Our annual Mega Day is a fantastic opportunity to network amongst colleagues, connect with suppliers and learn new skills through hands-on workshops and sessions.

The day boasts a fun approach to development from all departments and is highly interactive allowing all guests to get involved.

Attendees can look forward to a preview of tasting new food concepts and fresh recipes. It provides catering teams with an inspiring experience to bring back innovative ideas for implementation at their sites.
